

2nd Grade Assignments: Jan.18 - Jan. 22

This week our class will concentrate on our science project and history election process. Extra worksheets and handouts are included for the science fair on Monday, Jan. 25. Math and phonics will include a review, but will be shortened. Spelling is half the list for the week. Reading groups will be minimized.

	H 75		H 77	Art magnetic painting

During this second semester the 2nd grade will complete all spelling, Bible verse, and penmanship in cursive.

Ponies p. 115-117 Ponies p. 122-123

Ponies p. 129-131

Art: magnetic painting

Supplies:

3-5 metal objects that will be attracted to magnets. (Paper clip, bolts, screw, penny, nickel, etc.)

Acrylic or watercolor paints

Paper

Magnet

Styrofoam plate, cardboard box (Something to place the paper on and to move a magnet from beneath while protecting the surface.)

1.Place the paper inside the box.

2.Dip metal objects in wet paint.

3.Place one object at a time on the paper. From under the box, move the metal object around the paper using the magnet. Dip the object in paint again as needed. Use as many colors as desired.

Use different objects with varying shapes to paint.

The entire paper does not need to be covered.
